

Long-Term Labour Maintenance Contract

CLERMONT MINE, QUEENSLAND

PROJECT OVERVIEW

CLIENT: Glencore
DURATION: 2016 - ongoing
ENVIRONMENT: Brownfield

Secured in early 2016, G&S is providing ongoing maintenance support for the Clermont Open Cut mine under the Long-term Maintenance contract.

Works to include;

- Wash plant, ROM and TLO outages;
- Mobile equipment and light vehicle services;
- Offsite bucket and tray overhauls; and
- Shovel, drill and excavator down days.

**SAFETY IS OUR FIRST
CONSIDERATION**
