

CHPP Permanent Maintenance Contract

BLACKWATER MINE, QUEENSLAND

PROJECT OVERVIEW

CLIENT: BHP Mitsubishi Alliance (BMA)
DURATION: 2013 - 2015
MAN HOURS: 113,000 per annum
ENVIRONMENT: Brownfield

G&S Engineering were responsible for the supply of supervision and trade to plan, procure and facilitate the ongoing day-to-day preventative maintenance programs and supply additional trade based resources to carry out service days of the product processing plant. The contract commenced in August 2013 and continued for 18 months.

G&S continues to carry out permanent maintenance contracts at both the Blackwater and Saraji Mines for BMA.

SAFETY IS OUR FIRST CONSIDERATION
