

CHPP Permanent Maintenance Contract

SARAJI MINE, QUEENSLAND

PROJECT OVERVIEW

CLIENT: BHP Billiton Mitsubishi Alliance
DURATION: 2015 - ongoing
ENVIRONMENT: Brownfield

G&S Engineering have held this contract since February 2015 and successfully rolled over into a new contract in 2016. It involves 30 full-time personnel on site, including supervision, administration, mechanical trades, electrical trades and non-trades roles.

The key scope of this contract is to inform the planning process, execute planned and unplanned maintenance days, as well as the annual major shutdowns.

G&S has also held CHPP permanent maintenance with BMA Blackwater and Peak Downs mines.

SAFETY IS OUR FIRST CONSIDERATION
